Subject: Free to talk tomorrow AM?
Date: Tuesday, May 27, 2014 10:16:08 AM

Hi Josh and Alan - are you guys free to talk tomorrow morning on prep for the Riparian Rule meetings? Peter Leinenbach is going to be out in the field starting the beginning of next week, and he wanted to touch base to talk on the paired watersheds study. I'm free after 10AM tomorrow. You guys free around then? Or tomorrow PM?

Thanks,
Jenny
